## Middle School Rules

Generally speaking this league follows the playing rules of the National Federation of State High School Associations (NFHS). We have additionally adopted the following exceptions/clarifications to those (NFHS) rules.

**Game Time:** 35 Minute Halves // 5-10 minute Half Time (Referee Decides)

**Substitutions:** Unlimited at all legal times.

- Both or Either Team - Kick Off // Goal Kick // injury – only if injured player is substituted.
- Your Possession – Throw In // Corner Kick //
  - Other team may also substitute – IF the team in possession is.
- Yellow Carded Player must sub out – May return at the next legal substitution for their team. Unlimited Subs for BOTH teams.

**Red Carded Player:** (Ejection) Must leave the field but MAY remain with the team on the team bench. Player may NOT play in the team's next game. Two yellow cards to the same player WILL cause a red card and the team WILL NOT be allowed to replace the player on the field.

**Game Re-Start:** if stopped by the referee for injury – the team in possession at stoppage will restart with an IFK at the spot where the ball was at when the referee stopped play.

**Throw in:** An errant throw in (foot up, bad throw or never entering play) will change possession. (The other team will have the throw in)

**NO match will end in a tie** – Regular Season and all tournament games, except the semi-finals and finals, if tied at the end of regulation time will progress immediately to Kicks from the penalty mark to determine a winner.

The Referee will pick a goal. Teams will immediately pick 5 shooters and send them to the center circle (the 5 players may be any of the legal 16 players on the team's roster) if PK's extend beyond the first 5 shooters the teams will send additional players from the bench. Once a player has participated in PK's they will remain on the field in the center circle until a winner has been determined. Only 11 players from each team may participate in PK's & one must be the goalkeeper.

Semi-finals and finals that are tied at the end of regulation will play two 5 minute periods (not sudden death) before going to penalty kicks.

**Player Bench (Team Side of Field) is for Players and Coaches only at all times**

## Middle School Soccer

Sponsored by

The Montgomery County Soccer Association (MCSA)

The MCSA is pleased to offer Middle School Girls Soccer for the Sixth season. Middle School Soccer helps prepare our student athletes for the highly competitive High School programs. Rules regarding eligibility, conduct and discipline from the high school programs are the foundation that this program operates from. Complaints or compliments should be directed to the MCSA and NOT the school system.
